## GSST8 Outdoor Torch

---

Napoleon's new Outdoor Torch™ gas fireplace leads the way for innovative, luxurious outdoor living.

---

### GSST8 Outdoor Gas Torch™

WOLF STEEL LTD., Barrie ON

Napoleon's new Outdoor Torch™ gas fireplace leads the way for innovative style and technology. No venting is required so the installation possibilities are endless. The GSST8 is constructed from durable stainless steel, powder coated and porcelain materials that stand up to the toughest outdoor environments. Perfect for residential or commercial applications. Outdoor living has never looked so good!

- Up to 6,000 BTU's
- Ultra modern outdoor fireplace with a slim, single torch flame design
- Exclusive Napoleon® Torch™ burner comes complete with decorative glass embers
- Ideal for versatile installations, new construction and renovation projects - no venting required
- Fuel saving electronic ignition
- Constructed from durable stainless steel, powder coated and porcelain materials that stand up to the toughest outdoor environments
- Built-in GFI electrical circuit breaker provides easy outdoor installation
- Features two on/off switches, one for burner and other for optional accent lights
- Porcelain Reflective Radiant Panels come standard
- Full stainless steel front and mounting cabinet are included (all shipped in one carton)
- Optional accent lights, mounted underneath and above the Outdoor Torch™, add a unique glow to the surrounding decor
