River Rock Ember Bed

## HD81 High Definition See-Thru Gas Fireplace

WOLF STEEL LTD., Barrie ON

The GD81 is the first see-thru direct vent fireplace in the industry to offer such dynamic choices for firebox design options. Besides supplying two rooms with exceptional focal points, the GD81 also offers the choice of a traditional PHAZER® log set, a modern crystal ember bed or glowing river rock setting. Any of these 3 design choices create an exciting environment for any home.

- Up to 60,000 BTU's
- 8" & 10" direct venting
- See-thru, clean face design can be enjoyed from two separate rooms
- Choice of traditional PHAZER® logs, CRYSTALINE™ crystals or Sand/River Rock ember beds
- Fuel saving electronic ignition with battery back-up
- Innovative, split burner system producing a YELLOW DANCING FLAME® pattern
- Exclusive dual Night Light™ system illuminates the ember bed and firebox while gently adding a glow to the room, even when the fireplace is off
- Convenient hand-held remote, controlling the flame, blower and Night Light™ comes standard with the unit
- Perfect for residential or commercial use
- Optional Artisan Wrought Iron double door kit available
- Quiet, remote, high output blower system pushes the heat out from above the door openings with SPLIT ZONE™ control (blower can operate out of either or both sides - wherever you prefer extra heat)
- Optional Porcelain Reflective Radiant Panels or decorative Sandstone panels are available
- Certified for bathrooms, bedrooms, bed sitting rooms and mobile homes
